“Experiencing the Stuff of Reality - Dreams and Human Change in Psychotherapy and Other Contexts”

seminar delivered by

Massimo Schinco, University of Pavia (Italy)

13 March 2016, 10.00-13.00

Venue: Pracownia Duży Pokój, ul. Warecka 4/6, Warsaw
(entrance from the side of ul. Kubusia Puchatka)

Dott. MASSIMO SCHINCO (Italy):
Psychologist and Psychotherapist, he has a long experience as a supervisor and teacher in post-graduate schools, universities and conservatories of music. Presently he teaches “Clinics of the Family” at the University of Pavia. He is also supervisor in social services for children. As an Author he focuses on creative change in an interdisciplinary frame. On the subject he has published many papers, chapters of books and three books. The last one is “Siamo sognati a nostra volta” (Durango Edizioni 2015). He is a member of the Board of Directors of the International Association for the Study of Dreams. On a regular basis he is invited to present in conferences and seminars, and presented five times in Poland. As an amateur, he plays violin in the Orchestra Sinfonica Amatoriale Italiana.
